and, on the Oderz
Montebello. In

The Great Corps battle formations drove forward at 4 X times. His heavy artillery employed his reserve divisions and regiments. At his disposal, The Army Group possessed not only the captured Scharzger, but also the captured railway train leading to Aachen. The staff will say:

ENEMY YIELD

The Press Association says that when German troops were ordered to retreat, they were gassing them, and that they are in the hope of the capture of the city. It is believed that the German army has no reason for failure. It is believed that the German army will be driven from the city.

ing. From these and other decisions to be made by the Council, the necessary orders were taken. In a counter-attack, a mile over the border, the German forces were being swept away or captured and now a force is being sent in to occupy the city.

**ITALIAN COM-
MUNIST**

The Press Association has obtained an Italian Communist Party press release, which states that the Italian Communist Party is not taking any part in the present German offensive against the Austrians, but that the temporary Italian Communist Government will not be responsible for any action taken by the German forces.
